Total Company Customer End-Markets

Total Company Product Assortment

¹ Other primarily includes revenue from industries and customers that are not material individually, including hospitality, restaurants, property management and natural resources.

Our Purpose

We Keep The World Working®

Our Principles

The following principles are **at the heart of how we work** – with one another, our customers, suppliers and communities.

Start with the customer

Act with intent

Win as one team

Embrace curiosity

Compete with urgency

Invest in our success

Do the right thing

Go-To-Market Business Models

To achieve our purpose, the Company operates under two business models that leverage our scale and supply chain to support customers of all types. Both the High-Touch Solutions and Endless Assortment models have unique value propositions that create a great customer experience.

High-Touch Solutions N.A.² | 2024 Revenue – \$13.7B

Customer Type

Large to mid-size customers with highly complex operations/processes

Segment Value Proposition

Compelling value-added MRO solutions delivered through our team of specialists and curated digital experiences

Number of Products

~2 million

Primary Geographies

North America

Endless Assortment² | 2024 Revenue – \$3.1B

Customer Type

Smaller customers with less complex operations/processes

Segment Value Proposition

Business purchasing made easy through a streamlined and transparent online relationship that provides access to everything a customer needs

Number of Products

>24 million (MonotaRO) and >14 million (Zoro)

Primary Geographies

Japan, U.S.

² Grainger's two reportable segments are High-Touch Solutions N.A. and Endless Assortment. The remaining businesses, which include the Company's Cromwell business in the U.K., are classified as Other to reconcile to consolidated results. These businesses individually and in the aggregate do not meet the criteria of a reportable segment. Other accounted for approximately \$0.4B of Total Company revenue for the full year ending December 31, 2024.

Focusing on What Matters

Creating a strong and sustainable business that does the right thing has guided Grainger for nearly 100 years. We believe that having a thoughtful approach aligned to our business can help build resilient processes, better serve customers and positively impact our team members, communities and the environment.

Awards and Recognition — Grainger is honored to be recognized by influential publications and organizations as an industry leader, a responsible company and a top place to work.
